ASEEM portal

- Ministry of Skill Development and Entrepreneurship today launched Aatamanirbhar Skilled Employee-Employer Mapping (ASEEM) portal to help skilled people find sustainable livelihood opportunities.
- The portal will map details of workers based on regions and local industry demands and will bridge demand-supply gap of skilled workforce across sectors.
- ASEEM portal will provide employers a platform to assess the availability of skilled workforce and formulate their hiring plans.
- It refers to all the data, trends and analytics which describe the workforce market and map demand of skilled workforce to supply.
- The Artificial Intelligence-based platform will also provide real-time granular information by identifying relevant skilling requirements and employment prospects.
- ASEEM will be used as a match-making engine to map skilled workers with the jobs available. The ASEEM portal and App will have provision for registration and data upload for workers across job roles, sectors and geographies.
