COVID-19 pandemic has had an adverse impact on workforce in general and migrant workers in particular.

A large number of migrant workers returned to several states. The challenge of containing Covid-19 was compounded by the need to provide basic amenities and means of livelihood to migrants and rural workers.

In order to generate employment with thrust towards creating infrastructure in backward regions of the country Garib Kalyan Rojgar Abhiyan was launched on 20th June 2020.

In Uttar Pradesh, nearly 30 lakh migrant workers returned. 31 districts of Uttar Pradesh have more than 25,000 returnee migrant workers. These include 5 aspirational districts.

The Government of Uttar Pradesh envisaged a unique initiative “Atma Nirbhar Uttar Pradesh Rojgar Abhiyan” which dovetails programs of Government of India and the State government while creating partnerships with industry and other organizations.

This Abhiyan is intensely focused towards providing employment, promote local entrepreneurship and create partnership with Industrial associations and other organizations to provide employment opportunities.

Prime Minister will launch this Abhiyan on 26th June, 2020.
