Context:

Government of India has accorded ‘Maharatna’ status to public sector undertaking’s (PSU’s) Hindustan Petroleum Corporation Limited (HPCL) and Power Grid Corporation.

Impact:

This will impart greater operational and financial autonomy thus enhancing powers to their Boards to take financial decisions.

Boards of these PSUs can make equity investments to undertake financial joint ventures (JV) and wholly owned subsidiaries and undertake mergers and acquisitions (M&A) in India as well as abroad. This is however subjected to a ceiling of 15% of net worth of concerned CPSE, limited to Rs 5,000 crore in one project.

The Boards can also structure and implement schemes relating to personnel as well as human resource management and training.

Holding companies of a ‘Maharatna’ PSU are also empowered to float fresh equity, transfer assets, divest shareholding in subsidiaries, but are subjected to condition that the delegation will only be in respect of subsidiaries set up by holding company.
