Namdapha National Park

It lies at the international border between India and Myanmar within Changlang District in the state of Arunachal Pradesh. The national park is known for Artic climate and Flying squirrel.

It is only park in the World to have the four Feline species of big cat namely the

- Tiger (Panthera Tigris),
- Leopard (Panthera Pardus),
- Snow Leopard (Panthera Uncia)
- Clouded Leopard (Neofelis Nebulosa).

_Hoolock Gibbons, the only ‘ape’ species found in India is found in this National Park_
