Strategic Petroleum Reserves

Abu Dhabi National Oil Company (ADNOC) will send ships carrying crude oil to fill half of the 1.5 million tonne strategic oil reserves India has built at Mangaluru. Indian Strategic Petroleum Reserves Ltd has built 5.33 million tonnes of strategic crude oil storage at three locations — Padur (Kerala) and Mangaluru on the western coast and Visakhapatnam on the eastern coast. The oil stored in the underground rock caverns at the three locations is to be used in an emergency.
