The three stages are closely linked to each other and it is advised to prepare in an integrated manner. Recently, especially 2017 onwards, the pattern of the prelims exam is changing fast. It is becoming more analytical, and the students are required to **link current affairs and the newspaper with the static portion of the syllabus and basic concepts**. The correct strategy is:

- **T- THINK**
- **A – ANALYSE**
- **W - WRITE**

❖ **EXAMPLES:**

➤ **2019 PRELIMS QUESTIONS:**
