T.B.C. : BKL-F-GHP

ASPIRE IAS TEST BOOKLET GENERAL STUDIES

Test Booklet Series

Test No. – 3

A

Paper—I

Time Allowed : Two Hours

MAPPING

Maximum Marks : 200

INSTRUCTIONS

1. IMMEDIATELY AFTER THE COMMENCEMENT OF THE EXAMINATION, YOU SHOULD CHECK THAT THIS TEST BOOKLET DOES NOT HAVE ANY UNPRINTED OR TORN OR MISSING PAGES OR ITEMS, ETC. IF SO, GET IT REPLACED BY A COMPLETE TEST BOOKLET.
2. Please note that it is the candidate's responsibility to encode and fill in the Roll Number and Test Booklet Series A, B, C or D carefully and without any omission or discrepancy at the appropriate places in the OMR Answer Sheet. Any omission/discrepancy will render the Answer Sheet liable for rejection.
3. You have to enter your Roll Number on the Test Booklet in the Box provided alongside. *DO NOT* write anything else on the Test Booklet.
4. This Test Booklet contains 100 items (questions). Each item is printed both in **Hindi** and **English**. Each item comprises four responses (answers). You will select the response which you want to mark on the Answer Sheet. In case you feel that there is more than one correct response, mark the response which you consider the best. In any case, choose **ONLY ONE** response for each item.
5. You have to mark all your responses **ONLY** on the separate Answer Sheet provided. See directions in the Answer Sheet.
6. **All** items carry equal marks.
7. Before you proceed to mark in the Answer Sheet the response to various items in the Test Booklet, you have to fill in some particulars in the Answer Sheet as per instructions sent to you with your Admission Certificate.
8. After you have completed filling in all your responses on the Answer Sheet and the examination has concluded, you should hand over to the Invigilator *only the Answer Sheet*. You are permitted to take away with you the Test Booklet.
9. Sheets for rough work are appended in the Test Booklet at the end.
10. **Penalty for wrong answers :**
THERE WILL BE PENALTY FOR WRONG ANSWERS MARKED BY A CANDIDATE IN THE OBJECTIVE TYPE QUESTION PAPERS.
 - (i) There are four alternatives for the answer to every question. For each question for which a wrong answer has been given by the candidate, **one-third** of the marks assigned to that question will be deducted as penalty.
 - (ii) If a candidate gives more than one answer, it will be treated as a **wrong answer** even if one of the given answers happens to be correct and there will be same penalty as above to that question.
 - (iii) If a question is left blank, i.e., no answer is given by the candidate, there will be **no penalty** for that question.

DO NOT OPEN THIS TEST BOOKLET UNTIL YOU ARE TOLD TO DO SO

'SAMADHAN' Prelims Test SERIES 2024

Q1:In the context of geographic extremes of India,consider the following statement

- 1:The longest coastline in india belong to Andhra pradesh followed by Gujrat
- 2:Jog falls of sharavati river is the highest waterfall of india
- 3:Jaismir in Rajasthan is the hottest as well as leh is the coldest place of india
- 4:Majuli island on river Brahmaputra is the largest river island

which of the following statement is/are correct

- A:Only one statement is correct
 B:Two statement are correct
 C:Three statement are correct
 D:All the four statement are correct

Q2:In the context of geographic extremes of world,consider the following statement

- 1.Grand canyon of colorado river is the largest canyon of world in the USA
- 2.Angel fall in colombia is the highest water fall of the world
- 3.Bay of fundy in canadian atlantic coast is the greatest tide of world
- 4.Mawsynram in mizoram is the wettest place of the world

which of the following statement is/are correct

- A:Only one statement is correct
 B:Two statement are correct
 C:Three statement are correct
 D:All the four statement are correct

Q3:In the context of solar system, consider the following system

- 1.Saturn have more number of known moons while compare to jupiter
- 2.venus take more time to revolve around the sun while compare to the earth
- 3.Earth have more mass while compare to the venus

which of the following statement is/are correct?

- A:Only one statement is correct

- B:Two statement are correct
 C:Three statement are correct
 D:None of the stattement is correct

Q4:Consider the following statement

- 1.Earth,mars ,mercury and jupiter are called Terrestrial planet and rest planet are called Jovian or Gas Giant planets
- 2.The terrestrial planets are smaller and their lower gravity could not hold the escaping gases.
- 3.Mars is the largest planet of the solar system and It is called the red planet

which of the following statement is/are correct?

- A:Only one statement is correct
 B:Two statement are correct
 C:Three statement are correct
 D:None of the stattement is correct

Q5:Consider the following statement

- 1.Seasons occur due to rotation of the earth axis and Day and night occur due to revolution around the sun.
- 2.The moon gravitational pull is weaker than that of Sun
- 3.The rise and fall of ocean waters on the earth due to gravitational pull by the moon and sun are refer as tides
- 4.when the moon is in between the sun and the earth ,the combined pull of the moon and the sun cause low tides

which of the following statement is/are correct

- A:Only one statement is correct
 B:Two statement are correct
 C:Three statement are correct
 D:All the four statement are correct

Q6:In the context of artic region,consider the following statement

- 1.Arctic region has less deposits of coal, gypsum and diamonds and 13% of the world's undiscovered natural gas and 30% of the world's undiscovered oil.
- 2.USA have been developing the millitary base at Murmansk region as well as russia at Nuuk region of artic

3. Animals that Live in the Arctic Region are Moose, Taiga Vole, Grizzly Bear and Arctic Fox

which of the following statement is/are correct?

- A: Only one statement is correct
- B: Two statement are correct
- C: Three statement are correct
- D: None of the stattement is correct

Q8: Find the following Regions

It is larger than Europe and is twice the size of Australia There is no coastal plain. The valleys between the mountain ranges are dry, windy, frozen and barren and strangely called oases. It is the only continent that is completely covered by permanent ice and snow hence it is known as the white continent.

Chosse the correct answer

- A: African Region
- B: North American Region

- C: Antarctica Region
- D: Artic Region

Q9: In the context of Antarctica region, consider the following statement

1. In the winter months of December, January, and February, the sun never rises and the temperature at the South Pole falls to minus 90°C.

2. Antarctica to be rich in gold, platinum, nickel, copper, and petroleum.

3. India has three research stations in Antarctica, namely Bharati, Dakshin Gangotri and Himadri

4. The climate of Antarctica is frozen cold because of its distance from the Equator and because of the great height of the plateau.

which of the following statement is/are correct

- A: Only one statement is correct
- B: Two statement are correct
- C: Three statement are correct
- D: All the four statement are correct

10: In the context of Australia, consider the following statement

1. Mulka is the coldest place as well as Charlotte pass is the driest place of australia

2. Australia also have the equitorial type of climatic condition

3. In australia the kalgoorlie is famous for gold and Kimberley city is famous for iron ore

which of the following statement is/are correct?

- A: Only one statement is correct
- B: Two statement are correct
- C: Three statement are correct
- D: None of the stattement is correct

11: Arrange the following Desert from North to south in australia

- 1. Great victoria desert
- 2. Great sandy desert
- 3. Gibson desert
- 4. Tanami Desert

Chosse the correct options

'SAMADHAN' Prelims Test SERIES 2024

A:2-3-4-1

B:4-2-3-1

C:4-1-3-2

D:4-2-1-3

12:Consider the following statement

1.Darwin ,Brisbane,perth and hobart are the city of australia from south to north

2.Brisbane ,sydney,canberra and perth are the city of australia from west to east

3.Lake Eyre is the largest lake and Murray river is the longest river of australia

which of the following statement is/are correct?

A:Only one statement is correct

B:Two statement are correct

C:Three statement are correct

D:None of the statement is correct

13:Consider the following statement

1.The 80 deg horizontal line which is passing through Andhra pradesh is also pass through Uttar pradesh

2.The 28 deg vertical line which is passing through Rajasthan is also passing through Arunachal Pradesh

Which of the following statement is/are correct?

A:Only statement 1

B:Only statement 2

C:Both the statement 1 and 2

D:Neither statement 1 nor statement 2

14:The standard meridian of India passes through which of the following state

1.Rajasthan

2.Madhya pradesh

3.Odisha

4.Andhra pradesh

5.Tamil Nadu

6.Chhattisgarh

Choose the following correct option

A:1,3,5,6

B:1,2,3,4,5,6

C:2,3,4,6

D:2,3,4,5,6

15:Arrange the following Indian city from east to west

1.Bilaspur

2.Raigarh

3.Indore

4.Itarsi

5.Jabalpur

Choose the correct option given below

A:1-2-3-4-5

B:2-1-3-5-4

C:2-1-5-4-3

D:1-2-4-5-3

16:Consider the following statement

1.A person moving from Vietnam to peru is loosing a day

2.International timeline is passing only through waters mainly to decrease confusion

3.USA is having the largest time zone in the world

4.India central meradain is passing through allahabad

which of the following statement is/are correct

A:Only one statement is correct

B:Two statement are correct

C:Three statement are correct

D:All the four statement are correct

17:Consider the following statement

1.Western part of Australia is rich in iron

2.western part of Australia particularly south-western rich in coal deposits

3.The great barrier reef which is the world largest reef system was declared a world heritage site by UNESCO

4.The highest peak in the australian Alps is Mt Kosciuszko

5.Argyle Diamond mine located in kimberley region is one of the largest producer of diamonds in te world

which of the following statement is/are correct

A:Only Two statement are correct

B:Three statement are correct

C:Four statement are correct

Aspire IAS *The name associated with excellence*

'SAMADHAN' Prelims Test SERIES 2024

D:All the five statement are correct

18:Following region associated with maximum range of Diurnal temperature

- A:Bagota
- B:Nursultan
- C:Mumbai
- D:Nursultan

19:Match the following Tribes with the particular region

Tribes	Region
1 Pygmyes of congo	Democratic Republic
2 Bindubu	Australia
3.Hausa	West Africa
4.Semang	Srilanka
5.Bushmen	North america

Choose the correct option which is given below

- A:Only two pair are correctly match
- B:Three pair are correctly match
- C:Four pair are correctly match
- D:All the five pair are correctly match

20:Which of the following region associated with Nomadic herding

- 1. Alaska
 - 2.Mangolia
 - 3.Kazhakisthan
 - 4.Dast e kavir and Dast e Lut
- Choose the correct options**

- A:1,2 and 4
- B:3 and 4
- C:1,3 and 4
- D:Only 4

21:Consider the following region which are associated with the sugar plantation

- 1.East coast of India is associated with the production of sugarcane
- 2.South East Coast of Australia is associated with the production of sugarcane
- 3.South East coast of south Africa is associated with the production of sugarcane
- 4.North of Morocco is associated with the production of sugarcane

5.North east coast of canada is associated with the production of sugarcane
which of the following statement is/are correct

- A:Only Two statement are correct
- B:Three statement are correct
- C:Four statement are correct
- D:All the five statement are correct

22:Match the following wind

Wind	Type
1.Mistral	It is cold wind from Italy
2.Khamsin from Egypt	It is hot convective wind
3.Bora	It is a cold wind that occurs in North america
4.Zonda	It is cold wind from Argentina
5.Blizzard	It is cold and powdery polar wind prevalent in north and south Polar Regions, Siberia, Canada and the USA.

Choose the correct option which is given below

- A:Only two pair are correctly match
- B:Three pair are correctly match
- C:Four pair are correctly match
- D:All the five pair are correctly match

23: Consider the following statement

- 1.Institute of forest productivity is located at Dehradun
- 2.Rajiv Gandhi Center for Biotechnology is located at kolkata
- 3.Central Arid Zone Research Institute is located at jaipur
- 4.Center for social Forestry and Eco-Rehabilitation is located at Allahabad

which of the following statement is/are correct

- A:Only one statement is correct
- B:Two statement are correct
- C:Three statement are correct
- D:All the four statement are correct

24:In the context of Water transportation ,consider the following statement

Aspire IAS *The name associated with excellence*

'SAMADHAN' Prelims Test SERIES 2024

- 1.The Headquarters of Central Inland water Transport Corporation is located at Patna
- 2.The Headquarter of Inland Waterways Authority of India is located at Kolkata
- 3.National Inland Navigation Institute is located Delhi

which of the following statement is/are correct?

- A:Only one statement is correct
B:Two statement are correct
C:Three statement are correct
D:None of the statement is correct

25:In the context of National Water way ,consider the following statement

- 1.National Water way 1 is from Allahabad to Haldia which is the longest National Waterways in India.
- 2.National Water-way 4 is the second longest water way as well as National Water-way 5 is the third longest water way
- 3.National water-way 3 which is from Dhubri to Sadiya is the shortest National water way of India
- 4.The Inland Waterways Authority of India (IWAI) is responsible for the timely execution of national waterways projects and to ensure improved water transportation in India.

which of the following statement is/are correct

- A:Only one statement is correct
B:Two statement are correct
C:Three statement are correct
D:All the four statement are correct

26:In the context of Indian port ,consider the following statement

- 1.Eastern coast has more number of major port while compare to the western coast
- 2.West coast of India has more number of port (Major and minor) while compare to east coast of India
- 3.Major ports are owned and operated by the Central Government, while minor ports are owned by center government but operated by state governments

which of the following statement is/are correct?

- A:Only one statement is correct
B:Two statement are correct
C:Three statement are correct
D:None of the statement is correct

27:Consider the following statement

- 1.Visakhapatnam is the second-largest port in terms of cargo volume handled.
- 2.Chennai Port largest port in the Bay of Bengal and Kochi Port in Kerala is a tidal port
- 3.Mumbai is India's largest natural port as well as Jawaharlal Nehru Port was the first major port in India to become a 100% Landlord port

which of the following statement is/are correct?

- A:Only one statement is correct
B:Two statement are correct
C:Three statement are correct
D:None of the statement is correct

28:In the context of Tribes in India ,consider the following statement

- 1.Madhya pradesh has the largest tribal population (absolute number) followed by odisha
- 2.Mizoram has the highest percentage of tribal population out of total population of the state followed by Nagaland
- 3.No tribes have been scheduled in Punjab and Haryana, and the Union Territories of Delhi.

which of the following statement is/are correct?

- A:Only one statement is correct
B:Two statement are correct
C:Three statement are correct
D:None of the statement is correct

29:Which among the following places are associated with iron ore mining

- 1.Chandrapur (Maharashtra)
- 2.Salem (Karnataka)
- 3.Kurnool (Andhra pradesh)
- 4.Sundergarh (Odisha)
- 5.Chikkamagaluru (Karnataka)
- 6.Singhbhum (Jharkhand)

Aspire IAS *The name associated with excellence*

'SAMADHAN' Prelims Test SERIES 2024

Choose the correct optiona

- A:2,3,4,5,6
B:1,2,3,4,5,6
C:1,3,4,5,6
D:3,4,5,6

30:Consider the following pairs

Famous Place	Region
1.Bodhgaya	Baghelkhand
2.Khajuraho	Bundelkhand
3.Agra	Malwa
4.Varanasi	Rohilkhand
5.Tirupati	Rayalaseema

Identify the pair that are correctly matched

- A:1,2,3,5
B:2,3,5
C:2 and 5 only
D:1,2 and 3

31:In the context of River system consider the following system

- 1.Vaigai river is the smallest river of India ,which originates in the Varusanadu Hills, the Periyar Plateau of the Western Ghats range.
- 2.Vamsadhara river is a east flowing river between Rishikulya and Godavari in odisha and andhra pradesh
- 3.Luni river is Originates in the Naga hills of Aravalli Ranges near Pushkar valley in Ajmer District .
- 4.Vaigai river flows through two state of India where as the Luni river flows through three state of India

which of the following statement is/are correct

- A:Only one statement is correct
B:Two statement are correct
C:Three statement are correct
D:All the four statement are correct

32:In the context of river basin ,consider the following statement

- 1.Kaveri rises in Brahmagiri hills of Kodagu district in Andhra pradesh with its important tributaries are Arkavathi, Hemavathi, Bhavani

and it drains into bay of bengal by flowing through 4 state .

2.Krishna is the first largest east flowing Peninsular river which rises near Mahabaleshwar in Sahyadri and It flows through the states five state before flowing into the Bay of Bengal

3.Mahanadi rises in Raipur district of Chhattisgarh with maximum drainage basin in odisha and its Major tributaries are Seonath, Hasdeo, Manjra, Ib .

4.Tapi flows in a rift valley parallel to the Narmada and Its basin covers parts of Madhya Pradesh, Gujarat and Maharashtra

which of the following statement is/are correct

- A:Only one statement is correct
B:Two statement are correct
C:Three statement are correct
D:All the four statement are correct

33:In the context of Natural Hazard,consider the following statement

- 1.Hot Desert in India are Mainly in the state of Punjab,Gujrat ,Harayana and Rajasthan
- 2.More Drought prone area can be found in Southern India while compare to Northern India
- 3.East coast is more affected by cyclone storms while compare to west coast

which of the following statement is/are correct?

- A:Only one statement is correct
B:Two statement are correct
C:Three statement are correct
D:None of the stattement is correct

34:In the context of Climatic regions,Annual Rainfall and Annual Temperature,consider the following statement

- 1.Mountainous type of climate can be found in jammu kashmir,Himachal pradesh and sikkim
- 2.India have more Tropical wet and dry climatic region while compare to sub tropical wet and dry climatic region

Aspire IAS *The name associated with excellence*

'SAMADHAN' Prelims Test SERIES 2024

3. Darjiling receive more rainfall in the month of june while compare to Delhi to the same month

4. In august month Leh mean temperature is more while compare to the bengaluru of the same month

which of the following statement is/are correct

A: Only one statement is correct

B: Two statement are correct

C: Three statement are correct

D: All the four statement are correct

35: Consider the following statement

1. Kochi receive more Annual Rainfall while compare to Ranchi

2. The Annual Rainfall of Visakhapatnam is less than that of chennai

3. The Annual Temperature of kolkata is more than that of pune

which of the following statement is/are correct?

A: Only one statement is correct

B: Two statement are correct

C: Three statement are correct

D: None of the stattement is correct

36: Each day is more or less the same , the morning is clear and bright with a sea breeze, as the sun climbs high in the sky ,heat moutns up, dark clouds form, the rain comes with thunder and lightning ,But rain is soon over.

Which of the following region is described in the passage above

A: Tropical

B: Desert

C: Equatorial

D: Humid subtropical

37: In the context of road transport, consider the following statement

1. The total length of state highway is more than the total length of National highway

2. India has the Third-largest road network in the world, Total Road Length – 6.4 million km

3. Bharatmala Pariyojana, – aims to build 66,100 km of economic corridors, border and coastal roads, and expressways to boost the highway network.

4. The length of North-south corridor highway is less than the length of East-west corridor

5. Both north-south and east-west corridor meet at the Nagpur

which of the following statement is/are correct

A: Only Two statement are correct

B: Three statement are correct

C: Four statement are correct

D: All the five statement are correct

38: Consider the following statement

1. NH-1 One of the oldest highways in India, it connects Delhi and Amritsar.

2. NH-7 is the longest national highway in India, running from Jammu and Kashmir to Kanyakumari which is passing through 11 state

3. The shortest national highway in India is NH 47A spanning 8 km between Kundanoor and Willingdon Island in Kochi, Kerala.

4. NH 52, which runs through the northeastern states of Assam, Meghalaya, and Mizoram, is the only national highway in India that passes through a wildlife sanctuary.

which of the following statement is/are correct

A: Only one statement is correct

B: Two statement are correct

C: Three statement are correct

D: All the four statement are correct

39: In the context of irrigation project, consider the following statement

1. Mayurakshi irrigation Project is on the Mayurakshi river of West Bengal .

2. Rengali irrigation project is on the river baitarani river of Odisha

3. Malprabha irrigation Project on the Malprabha river of Karnataka state

4. Kakrapara irrigation Project is on the Tapi River of Maharashtra state

Choose the correct option which is given below

- A: Only two pair are correctly match
- B: Three pair are correctly match
- C: Four pair are correctly match
- D: All the five pair are correctly match

46: In the context of vegetation, consider the following ,consider the following statement

1. Western Ghats and the Andaman Nicobar Islands have tropical rain forests.

2. Tropical Deciduous Forest are found in the north-eastern states along the foothills of Himalayas, eastern slopes of the Western Ghats and Odisha.

3. The temperate forests are called Sholas in the Nilgiris, Anaimalai and Palani hills.

4. Mangroves are highly developed in the Andaman and Nicobar Islands and the Sundarbans of West Bengal

which of the following statement is/are correct

- A: Only one statement is correct
- B: Two statement are correct
- C: Three statement are correct

D: All the four statement are correct

47: In the context of Land use, consider the following statement

1. Maharashtra has the largest Net sown Area followed by Rajasthan

2. Punjab, Haryana, have large percentage of area under the Area sown more than once

3. Dadra and Nagar Haveli, Haryana states have less area under forests

4. Andhra Pradesh, followed by Rajasthan have more land under the Land not available for cultivation

which of the following statement is/are correct

- A: Only one statement is correct
- B: Two statement are correct
- C: Three statement are correct
- D: All the four statement are correct

48: In the context of Dairy Industry ,consider the following statement

1. India is the highest milk producer in the world contributing 24% of global milk production.

2. Uttar pradesh is the top milk producer state followed by Rajasthan

3. India export its maximum milk to Bangladesh ,UAE and Saudi

4. All the state in the North east except assam are the low producer of milk

which of the following statement is/are correct

- A: Only one statement is correct
- B: Two statement are correct
- C: Three statement are correct
- D: All the four statement are correct

49: In the context of soil, consider the following statement

1. Alluvial soil can be found in deltas of the Mahanadi, the Godavari, the Krishna

2. Black soil can be found found in the Deccan lava plateau region of India which is Rich in nitrogen and phosphorous but deficient in humus, iron and lime content.

Aspire IAS *The name associated with excellence*

'SAMADHAN' Prelims Test SERIES 2024

3. Black soil is more in India while compared to the red soil

which of the following statement is/are correct?

- A: Only one statement is correct
 B: Two statements are correct
 C: Three statements are correct
 D: None of the statements is correct

50: Identify the following soil

It is brown in colour, it is also composed essentially of a mixture of hydrated oxides of aluminium and iron, it is rich in iron and aluminium but poor in Nitrogen, Phosphorous, Potash, Lime, and Magnesia. Its humus and water-retaining capacities are moderate. Bacterial activities have been very high and heavy precipitation develops leaching of humus as a result humus content is moderate to low.

Choose the correct Options

- A: Mountain Soil
 B: Laterite Soil
 C: Desert Soil
 D: Red Soil

51: Consider the following statement

1. The Barren Island volcano is an active volcano located in the Indian territory
2. Barren Island is located 140 kms to the east of Port Blair
3. The last time the Barren Island Volcano erupted was in 1991 and it has remained inactive since then.

which of the following statement is/are correct?

- A: Only one statement is correct
 B: Two statements are correct
 C: Three statements are correct
 D: None of the statements is correct

52: Which of the following is/are tributary of Brahmaputra?

1. Dihang
2. Kopil
3. Jia Bharali

4. Siang

5. Tista

Select the correct answer using the code given below.

- A: 1,2,3,4,5
 B: 1,2,4,5
 C: 1,2,5
 D: 1,2,3,5

53: Which of the following pair is correctly matched

Geographical feature	Region
A: Abyssinian Plateau	Eritrea
B: Atlas mountains	North-Western Africa
C: Guiana Highlands	South America
D: Okavango Basin	South Africa

which of the following pair is/are correct

- A: Only one pair is correct
 B: Two pairs are correct
 C: Three pairs are correct
 D: All the four pairs are correct

54: Consider the following statement

1. Annual range of temperature is lesser in the Pacific Ocean than that in the Atlantic Ocean
2. Annual range of temperature is greater in the Northern Hemisphere than that in the Southern Hemisphere
3. Southern Hemisphere has less landmass as compared to the Northern Hemisphere.
4. Coriolis force is higher in the Southern Hemisphere as compared to the Northern Hemisphere.

which of the following statement is/are correct

- A: Only one statement is correct
 B: Two statements are correct
 C: Three statements are correct
 D: All the four statements are correct

55: In which of the following oceans Diamantina Trench is situated?

- A: Pacific Ocean
 B: Atlantic Ocean

C:Indian ocean
D:Arctic Ocean

56:Which of the following pair is not correctly match

- 1.Bahamas: Nassau
2. Costa Rica:San jose
3. Nicaragua : Managua
- 4.Dominican Republic : Santo Domingo

Choose the following

- A:Only one pair is incorrect
B:Two pair are incorrect
C:Three pair are incorrect
D:All the statement is correct

57:Which one of the following is a lagoon

- 1.Chilika lake
- 2.Pulicat lake
- 3.Kaliveli Lake
- 4.Astamudi lake
- 5.Periyar lake

Choose the following options

- A:1,2,3,4,5
B:1,2,4
C:1,2,3,4
D:2,3,4

58:Consider the following pairs

Sea	Bordering
1.Adriatic sea	Albania
2.Black sea	Turkey
3.Caspian sea	Kazakhstan
4.Mediterranean sea	Morocco
5.Red sea	Saudi arabia

Choose the correct option which is given below

- A:Only two pair are correctly match
B:Three pair are correctly match
C:Four pair are correctly match
D:All the five pair are correctly match

59:Mediterranean sea is a border by which of the following countries?

- 1.Algeria
- 2.Montenegro
- 3.Libya

- 4.Albania
- 5.Bosnia

Choose the correct option

- A:1,2,3,4,5
B:2,3,4,5
C:1,3,4,5
D:1,2,4,5

60:Consider the following pair

Geographical feature	Country
1.Great victoria Desert	Australia
2.Grand Canyon	USA
3.Lake Winnipeg	Canada
4.Southern Alps	Brazil

Choose the following Incorrect pair

- A:Only one pair is incorrect
B:Two pair are incorrect
C:Three pair are incorrect
D:All the statement is correct

61:Which of the following Pairs is not correctly match

City	Rivers
A Berlin	Rhine
B London	Thames
C New York	Hudson
D Vienna	Danube

62:Consider the following pair

City	River
1.Bangkok	Menam
2. Phnom-Penh	mekong
