Integrated online junction for School Education ‘Shagun’

Context

HRD Ministry has launched one of world’s largest Integrated Online Junction for – School Education ‘Shagun’. It also announced the setting up of the Integrated National School Education Treasury (INSET).

Shagun

- School Education Shagun is an over-arching initiative to improve school education system by creating a junction for all online portals and websites relating to various activities of the Department of School Education and Literacy.
- The word Shagun is coined from two different words- ‘Shala’ meaning Schools and ‘Gunvatta’ meaning Quality.

Integrated National School Education Treasury (INSET)

INSET envisages a fully integrated, instantly accessible and seamless information network for all parameters relating to the students, teachers, and schools in the country.

The main focus will be on the following areas:

- Reinforcing and cleaning the data of the Integrated Online Junction through feedback from Stakeholders.
- Ensuring full inter-operability among the websites, portals and applications which are already hosted in the junction.
- Creating high quality e-contents, including quizzes and puzzles to enhance learning and also for teachers in aiding classroom transactions.
